

Just Hold On

Music by Fort Atlantic Lyrics by Jon Black

Verse 1

G Em
On my way through the darkest night
D C
I keep moving on, I keep traveling light
G Em
It was a great escape through my own mirage
D C
High beams in the distance flashing on and off

Pre-Chorus (x2)

C Em D
Don't fade to black, don't fade to black

Chorus

D Em C
Just hold on to the light
C G D
Just hold on to the light

Verse 2

I speak these words with an autumn tone
The falling leaves feel like home
We all want spring and perfect aim
We all want love just like a runaway train

Pre-Chorus

Chorus

Verse 3

I want to be secure, I want to never look back
I'm afraid my heart can't do that

Pre-Chorus (x4)

Chorus (x4)
